

THAI JOURNAL OF FORESTRY

Volume 14 Number 2, July-December 1995

ISSN 0857 - 1724

-
- Early growth of *Acacia auriculiformis* progeny trials
.....Vitoon Luangviriyasaeng, Khongsak Pinyopusarerk, Kiatkong Pitpreecha,
Apisit Simsiri and Bopit Kiatvuttinand 81
- Diffused light conditions in canopy gaps in a dry dipterocarp forest at Sakaerat,
Northeastern Thailand
..... Pricha Dhanmanonda 94
- Strength properties and drying characteristics of *Eucalyptus* wood grown in
Bangladesh
.....M.F. Kabir, D.K. Bhattacharjee and M.A. Sattar 103
- Effect of time, temperature and alkali to sulfate cooks of *Eucalyptus*
camaldulensis
..... Preecha Kiatgrajai 110
- Effects of spacing and pruning intensity on growth and yield of *Eucalyptus*
camaldulensis Dehnh. plantation
..... Pongsak Sahunalu, Pricha Dhanmanonda, Buared Prachaiyo
and Kanit Muangnil 118
- Natural durability of timbers to brown rot fungus [*Gloeophyllum sepiarium*
(FR) Karst]
..... Arunee Veenin 131
- Vegetative propagation of *Aquilaria crassna* by stem cutting
..... Sarayudh Bunyavejchewin 137
- Field experiment on *Rhizophora* planting in mud flat area, Khung Krabaen Bay
..... Vipak Jintana, Cherdsak Liewlaksaneeyanawin and Akira Komiyama 143
- Effects of air pollution on leaf structure and growth performances of *Pterocarpus*
indicus Willd. seedlings
..... Sapit Royampaeng and Ladawan Puangchit 151
-
